Renee looked skeptically at her, you wouldn't want to know what I think trust me. Noticing that Ally was coming up behind Elaine fast she added ' nothing is happening, stay out of it!' just loud enough for Ally to hear. She then whispered 'Talk about it later ok, you tell Georgia and Billy and I'll take the rest ok.' And with that she walked up to Ally and took her off to have a coffee and discuss their plans for Christmas.

Meanwhile the Biscuit had come in looking longingly after Nelle, he knew they had sorted it all out but he couldn't help himself. Richard came up behind him 'John, my office, now, problem' then he sauntered off leaving John to follow.

'What this time Richard? Is it to do with the note you left on Ally's desk?' for a moment Richard looked shocked, 'How did you know?' John cut him off. 'I met Elaine just before you tried to give me a heart attack, I want to know what it was about' Richard stared into space for a while 'Um later ok, I'll explain everything later' Bygones!' John didn't want to leave it at that but he figured give him a little space and he'll incriminate himself sooner or later. 'ok, Richard, anything you say, now what's the problem?'

Georgia and Billy were enjoying their lunch hour when Renee came up,

'have you heard about the note Richard left on Ally's desk?' Georgia simply asked, 'Was it Elaine that told you? And if it was I suppose there's some weird romance going on between them or Richard needs help with LinG and turned to herâ€"why I don't know.' Renee was taken aback, 'Well it was Elaine but everything else is news to me, spill!' Georgia gave an exasperated sigh and got up, 'I don't know anything other than Elaine is probably going to start up a heap of ludicrous rumors and have the whole office caught up in itâ€"more info at the bar tonight ok.' 'Of course, where else? See you tonight then' Billy just sat through the conversation in silence and only moved when Georgia got up to leave, after Renee had left he commented 'Well we lasted Â½ a day without anything coming up, I believe that's a record.' Georgia agreed.

Sorry it's taken so long, lost all the info on my disks for some reason, and I didn't have copies, also I've been really busy lately, might be a while before the next part.
